~ Indian Motorcycle ~

Easy on the eyes, rides like a dream.
 Some said it's just art, but power it screams.
 Looks like a beauty, runs like a beast,
 Chasing to our sunset, or to it's rising east.
 Riding together, my horse and me,
 Don't try to find us, cause in the wind we will be.

It's hard to believe that we are almost half way through the year especially since the hot sunny weather hasn't hit us yet unless you head to the desert. Looking back we just completed a ride to Big Bear which was also the last chapter ride with our outgoing VP Randy "Nomad" Seavy as he and Becky will be moving to the Tucson area. We have been very fortunate to have benefited from his leadership and dedication to our chapter. Randy will continue his role as a Regional Coordinator for the Southwest, so we have not heard the last from him.

Several of us from the SD Crew attended the Tucson Rundezvous back in April and that was just the warmup for the upcoming Durango Rendezvous. A handful of us will be heading out on Sunday, 06/11, and will have plenty of photos, videos and stories to share in the coming newsletter as well as on Facebook and Instagram.

Once all that riding is done we can start the second half of the year with our chapter ride on July 1st followed by the 5th Year Anniversary of IMSD. Tim opened his dealership the same time I moved to San Diego and I couldn't be more thankful for having a place to go knowing I will be treated like family and get the best service which allows me and the rest of us to go on these epic journeys.

As you will see on the opposite page, The SD Crew also held a Women's Only Safety class & ride. While Dave "Professor" Timmons provided the content, the women in attendance ruled the day. Kelley "MnM" Swaine lead the ride after the class while Stacy "Riki" Tompson was sweep. Thanks to Chela, Jo, Tabitha, Nina and Sarah as well as the rest of the IMSD team for making this event such a huge success.

Thanks to donations of non-perishable items as well as cash during the Swap Your Swag event we were able to deliver those items as well as a check for \$167 to The Monarch School. Your ongoing support for this organization helps in so many ways for the children at the school and will pay dividends in the years ahead.

July 8th, 2023

We will meet at the Starbucks across from Indian Motorcycle of San Diego and ride together to the start of the event and then ride together on the 108 mile ride.

The ride ends at AleSmith Brewing for the after party where there will be delicious tacos, music, and tickets available for a chance to win fun door prizes.

All proceeds benefit Alzheimer's San Diego and will be used to support people living with dementia, their caregivers, and to fund research for a cure.

From the editor: We want to thank each and every one of you who voted in the election for The SD Crew. We also want to thank those who put their name forward because if it wasn't for your efforts and your time we wouldn't have a chapter as strong as the one we have. The names listed below will comprise your board for the next year. Some behind the scene work is being done for emails. We will also have some additional news for the coming year after the new board meets.

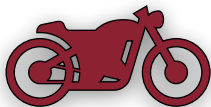

While having the time to commit for a board position may not be something you have time or the desire for, we are always looking for those who would like to volunteer for any event. We also are always looking for content to fill the pages of your newsletter, so if you have anything you think the group could benefit from, please feel free to email me.

We all look forward to doing our best to make The SD Crew an IMRG we can all be proud of.

 San Diego, CA 92123

September 22 - 23, 2023 - Bally's Lake Tahoe

The organizers of the HOPE Motorcycle Rally feel it's important to recognize that cancer has no boundaries. We grew from an idea in 2017 to an annual fundraising endeavor involving hundreds of motorcycle enthusiasts! Spreading awareness during various rides, events and a grand finale that takes place at Bally's Lake Tahoe. A celebration of everyone's efforts and one lucky winner will take home a new Indian Motorcycle!
