Motorcycles For Monarch School

Our first annual event to raise money to help the children of the Monarch School and bring awareness to the issues of unhoused youth in our community was a huge success. This could not have been possible without the support of you, the motorcycle community. In total we had 49 riders & 5 passengers which for a first year event is fantastic. By attending this ride, followed by the raffle & auction, Motorcycles For Monarch School raised a total of \$6,867.00. We will be heading over to The Monarch School later this month to deliver the check which will go a long way in helping the day to day needs of the school.

In addition to all those in attendance, we need to thank the many people and businesses who came forward and made donations for the raffle and auction as well as their time and talents.

From the editor: January is usually a slow month for many IMRG chapters but not here in San Diego. We started off strong with the monthly chapter ride to **Cook's Corner** followed by an incredible turnout for the **1st annual Motorcycles for Monarch** ride. February started with our ride to **Bates Nut Farm** and as we look forward to March and beyond it will continue to be filled with rides and events. This is the perfect time to join The SD Crew. For just \$40 you receive a chapter tee, year patch, membership card which also gives you 10% discount on purchases and rentals at Indian Motorcycle of San Diego. Sign up forms are always available before chapter rides as well as in the hallway at the dealership. You'll be happy you joined. Additional shirts available for \$25. Email us if you have any questions or ideas.

We are fortunate to have great people who step in and share their talents and make this a great group. If you would like to get more involved and take on a larger role please reach out to one of the officers below. This is going to be a busy and exciting year and we thank each of you for being apart of it.
