

THE CREW'S NEWS

IMRG 2040

San Diego Chapter

Come join us for a ride to **Big Bear** for lunch and enjoy what should be some awesome views after the winter snow is replaced by plenty of green. We have multiple gas stops planned but show up with full tanks and empty bladders.

Fun Facts: A trip to Big Bear Lake from San Bernardino took two days on horse-drawn coaches.

Gone with the Wind, North to Alaska, Old Yeller, and the 1983 film War Games are just some movies filmed in Big Bear.

The Swap your Swag event last month was a huge success. So many of you came in to get a free Tee and also shared your generosity by donating much needed items & cash to [The Monarch School](#). In the near future we will deliver the boxes of items and a check directly to the school.

A big shout out to Indian Motorcycle of San Diego for providing all the food and drinks for everyone and Tigger & Nomad for running the grill. A fun day was had by all at IMSD.

IMSD was also the host to kick off the MMIW event and as you can see from the pictures on the next page, it was a great success in bringing awareness to this issue is so vital and your involvement plays a role. In order to stop this victimization of Native sisters, education and knowledge is paramount. Then, prevention can begin.

Visit the website [Native Hope](#) for more information.

September 22 - 23, 2023 - Bally's Lake Tahoe

The organizers of the HOPE Motorcycle Rally feel it's important to recognize that cancer has no boundaries. We grew from an idea in 2017 to an annual fundraising endeavor involving hundreds of motorcycle enthusiasts! Spreading awareness during various rides, events and a grand finale that takes place at Bally's Lake Tahoe. A celebration of everyone's efforts and one lucky winner will take home a new Indian Motorcycle!
