

THE CREW'S NEWS

IMRG 2040

San Diego Chapter

Join the SD Crew this June as we head East before veering North along Buckman Springs Rd and the Sunrise Highway. We will have a lunch stop in Julian before heading West as we will return to our home base of IMSD. Two (2) refueling stops are included along the 156 mile route. If this is your first ride with us this year, please fill out a [rider waiver](#), [passenger waiver](#) or [minor waiver](#) before coming to help save time. As usual, arrive with a full tank. **Fun Fact:** PINE VALLEY OVERLOOK (Near pin 14)- This flat area known as the "Borrow Pit" was used during the construction of the Sunrise Highway in 1937. The area is accented by a huge rock geologists call a scrap. Down the west slope nestled among the chaparral is the picturesque community of Pine Valley.

Location:

Indian Motorcycle of San Diego
9240 Clairemont Mesa Blvd.

Date:

Saturday - June 1st

Time:

Chapter Meeting @ 08:30

KSU: 09:00

SAN DIEGO
Automotive
MUSEUM
San Diego's Premier Transportation Museum™

**Join us for
Motorcycles in the Park
Every 4th Sunday 7:30 am - 9 am**

2080 Pan American Plaza
FREE COFFEE & DONUTS
(while supplies last)

**Plus Discounted Entry of \$10 to
the Museum before 10 am!**

Exclusively Sponsored by:

What better way to start your morning off than a donut and a hot cup of coffee to wash it down all the while checking out some of the amazing bikes and hearing some interesting stories. Before heading out make sure to take time to check out all the motorcycle and auto exhibits in the museum. Indian Motorcycle of San Diego has been the exclusive sponsor of this event each month and will continue through June of this year. While in the museum, check out the cross branded T-Shirt that IMSD and the San Diego Automotive Museum have partnered on and are for sale in the gift shop.

Support the 100,000 San Diegans living with dementia by joining the Rides4ALZ on Saturday, June 29th! This marks our 8th year celebrating this 108-mile charity ride through beautiful San Diego County. All proceeds benefit Alzheimer's San Diego and will be used to support people living with dementia, their caregivers, and to fund research for a cure. Last year, 300 bikers came together and raised over \$180,000. With your help, we hope to make an even greater impact in 2024.

Dave has setup an SD Crew Team for the Alzheimer's Charity Ride on Saturday, June 29th. Ken has volunteered to lead SD Crew from the Starbucks across from IMSD, KSU 7am to the event and on the 100 mile ride. [Here is the link to our team.](#) Last year we came in 2nd place for the Team category to San Diego HD who received a nice plaque. Let's try to win 1st place this year!

Chapter Meeting @ 08:30

KSU: 09:00

If this ride looks familiar it should. Back in April we had to scrub this ride due to rain but this is too good a route to pass up. Come join us as we “Redo” our run through the canyons with a lunch stop at the Farmhouse Café in Santa Ysabel. We have a fuel stop 82 miles from the start if your bike is thirsty. If this is your first ride with us this year, please fill out a [rider waiver](#), [passenger waiver](#) or [minor waiver](#) before coming to help save time. As usual, arrive with a full tank. **Fun Fact:** Just before reaching our lunch stop we will pass by Lake Henshaw off to our North East. Lake Henshaw was constructed in 1923 (101 years ago) with the building of Henshaw Dam, an earth dam 123 feet (37 m) tall and 650 feet (200 m) long. It is owned by the Vista Irrigation District and used primarily for agricultural irrigation.

22ND ANNUAL

MAY 18

"Professor" Dave will be leading a group to the event and on the event ride. KSU 8am from the Coffee Corner 2. 235 Town Center Parkway, Suite A, Santee, CA 92071 Please have tanks full when you arrive.

There will be vendors, food, prizes, live music, kid zone and we will be adding more information as we lock in more fun stuff. **It's all for our military members (past and present), and their families.** The ride starts and ends at Biggs Harley Davidson in San Marcos, Ca.

Money raised at the event will go to Armed Services YMCA

The Armed Services YMCA enhances the lives of military members and their families through specialized counseling, family & youth enrichment, and warrior care programs relevant to the unique challenges of military life.

After learning about all that the Armed Services YMCA does for our military Heroes and their families we knew they were the right fit. From clinical counseling, food, rehabilitation and recreation therapy, at-risk military kids after school programs and so much more we wanted an organization to encompass many areas of assistance for our Men and Women in the Armed Forces because they continue to sacrifice so much for us. Many of us have never experienced what it's like to be far from home and in harms way. We cannot imagine what it's like to be missing our family while carrying out very important and often times dangerous missions. When our Heroes return from a tour of duty, they should have resources available to them to assist them in their day to day needs. We believe that the Armed Services YMCA provides this for them.

Cost is \$20 per rider & \$10 per passenger

You can register at the event starting at 8:30am or to save time, go to mayride.com and resister now.

Northwest Chapters Tour, July 12-15th. Each year the tour travels to another state and this year that happens to be Washington. You will enjoy some amazing roads and sights in our 42nd State, Washington. Check out their website for all the details and registration information.

From the editor: You may have noticed that there are two rides listed in this issue, one for June and also one for July. Moving forward, instead of a monthly newsletter we will be moving to a quarterly format. The newsletter will become more of an archive so we can have a record of the happenings of the SD Crew. The website will be regularly updated with more week to week activities and an easy one stop place to know everything about the SD Crew. We will also be announcing the new board which starts a new one year term beginning on June 1st. We do have some open positions on the board and if you are interested please let us know. It is always nice to have fresh ideas and perspectives as the SD Crew continues to evolve. The next issue of The Crews News will be in July with stories about Saddle Sore 1000 results, news from the Durango Rendezvous as well as chapter activities. Until we ride again, stay safe and have fun. ~ Scooter

The HOPE Motorcycle Rally

We grew from an idea in 2017 to an annual fundraising endeavor involving 100's of motorcycle enthusiasts! Spreading awareness during various events and a grand finale that takes place at the Golden Nugget Lake Tahoe. A celebration of everyone's efforts and one lucky winner will take home a custom Indian Motorcycle!

Visit <https://hopemotorcyclerrally.org/> for all the details.
